AT PARKDALE FARM, :: APRIL 15, 1914

AT 1 O'CLOCK P. M.

BELLOWS BROS., Owners : Maryville, Missouri

## ANNOUNCEMENT

In making this, our Eleventh Annual Sale, of improved Short-Horn Cattle at Parkdale Farm, adjoining the city of Maryville, Missouri, on Wednesday, April 15, 1914—we have broken our usual custom of selling in June. This change is made for the benefit of many breeders who could not be with us later in the season, on account of pressing farm duties at that time.

**THE CATTLE** listed for this sale are good individuals, in good, thrifty, breeding condition, with the choicest of breeding. They will no doubt sell within the reach of every purchaser, whether he be a breeder at the top of the ladder or the man just starting a herd. We will not use the time-honored and much battered phrase—"The best lot of cattle that have ever passed through our sale ring," but will say to prospective customers that the offering compares favorably with the cattle sold in our former sales.

**THE SIXTEEN BULLS** reserved for this offering range in age from 7 to 30 months and represent such sterling families as the Cruickshank Victorias, Queen of Beauties,, Butterflies, Emmas, Claras, and the Marr Beauties. The cows that produced these bulls will be on exhibition sale day, so that the buyer may see both lines of ancestry of the bull he may select.

**THE FEMALES** have been selected with care and include a number of the best cows and heifers in our herd. Many of them have calves at foot, and practically all either have calves or are safe in calf to such bulls as DIAMOND GOODS, SULTAN SUPREME and RADIUM.

We extend to you a cordial invitation to attend the sale and be our guests while in Maryville. Come in time to inspect the cattle and see the breeding herd in advance.

Yours very truly,

**BELLOWS BROS.**

### **GUARANTEE.**

We guarantee every animal sold as a single lot a breeder. Cows well along in calf, or with calves at foot, show evidence of breeding and no other guarantee is given. All other cows and heifers of breeding age shall prove to be in calf or get in calf, but if they do not after a reasonable trial period, they can be returned and another animal of equal value will be given in exchange, purchaser paying freight. Bulls are guaranteed under the same terms. Will not offer any animal that we consider the least doubtful. Certificate of health furnished for animals going into territory requiring it.

### **INDIVIDUAL MENTION.**

For the guidance of prospective customers we have prepared individual descriptions, which will appear directly under the printed pedigrees. These are conservative and we hope will be appreciated by those interested in studying the cattle in advance of seeing them.

### **TERMS.**

Cash. Any parties desiring to make note, who are not personally known to us, should bring bank reference.

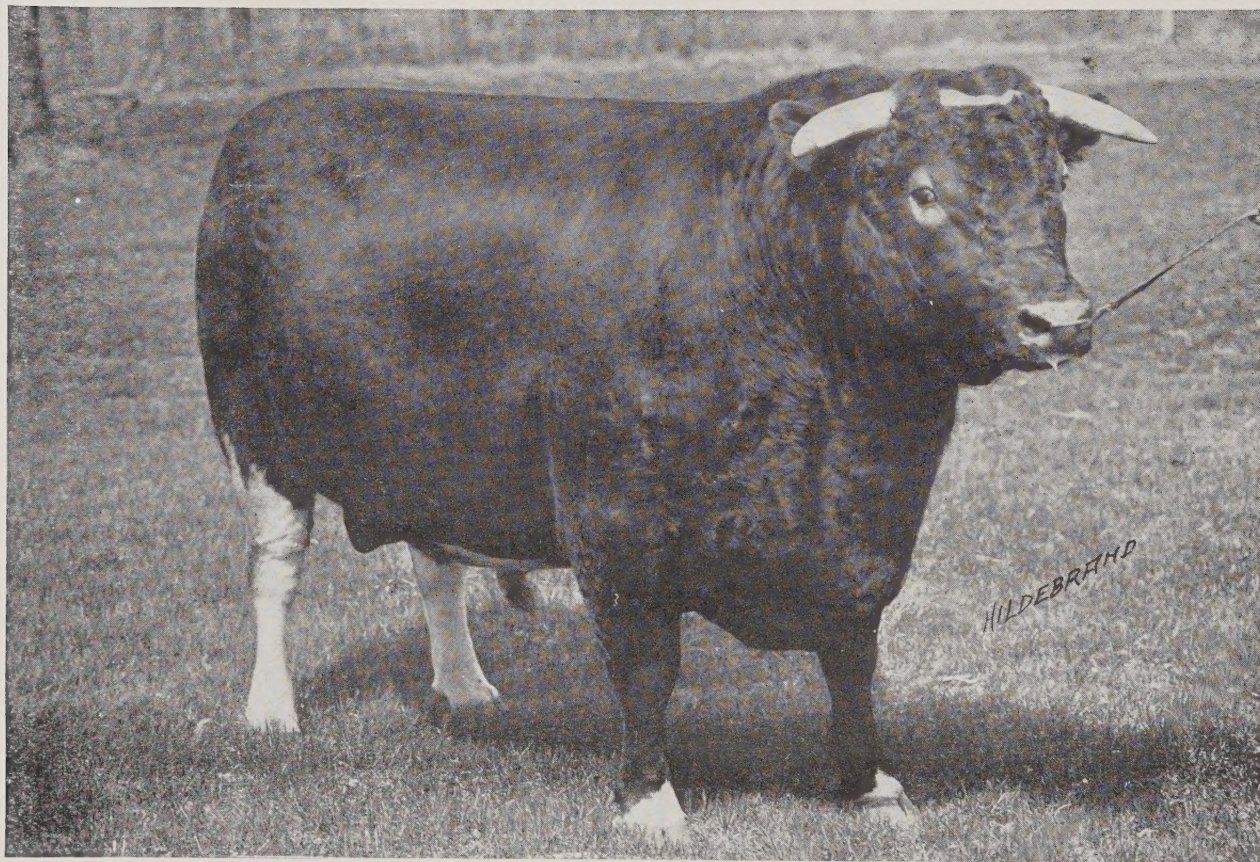

Sale at Parkdale Farm, adjoining town, commencing promptly at 1 p. m.

Visitors will be entertained at Hotel Linville as our guests, without charge.

Free conveyance from hotel to farm and return. All stock loaded on cars, but as soon as bid off are at owner's risk.

**Diamond Goods 333014** is a bull for which we feel justified in making strong claims. He was the best bull calf of his year. His type and individual excellence, coupled with the fact that he was sired by Good Choice and out of that grand breeding cow Sweetheart, caused us to select and retain him with which to improve our herds. His steady improvement, his fine disposition, his career at the leading shows, and best of all, the three crops of calves sired by him have proved the wisdom of our choice. He is a bull of the right type, and rich breeding is combined with rare individual merit. At the leading shows of 1912 he was undefeated in the aged bull class, winning first at the Iowa and Nebraska State Fairs, and at the International, at Chicago. He was also made senior and grand champion at both State Fairs, and was awarded the grand championship over all beef breeds at the Nebraska State Fair. The yearling bulls and the calves sired by him that are included in our coming sale will leave no doubt about his value as a stock bull.

**Good Choice** was selected by us in the summer of 1904 as the best son of the many times grand champion Choice Goods. As the junior calf he stood third at the International and as a two-year-old he defeated every bull of his age that he met, winning first prize at the Iowa and Nebraska State Fairs, also at St. Joseph Interstate Fair and at the American Royal. He weighed at maturity 2,350 lbs., had a perfect disposition, was a natural flesh carrier and a remarkable pre-potent sire. His reputation was established by the many good sons and daughters that have passed through our annual sales, and remained in our herds.

**Victorallan**—A red bull by Imp. Victoria's Count 141842, out of Daisy of Strathallan 13th, by Barmpton M 139269, he by the great sire Barmpton Hero 58313 and out of Mysie 41st.

**Champion 106772**—A red bull by Baron Barmpton 78793, out of Cruickshank Secret cow Seclusion, sired by Feudal Chief 92299; Sycamore by Count Robert 45249; Surmise by Champion of England (17529).

**Sultan Supreme 367161.**—After looking for more than a year for a suitable bull to place in our herds with Diamond Goods, our attention was called to this calf, advertised to sell in the International Sale, under the name of Warrior Dale, by that progressive breeder, Mr. Owen Kane. After careful inspection of the calf and his breeding we bought him. Later in the week he was shown in the senior calf class and stood fourth, a rating that did not cause us to think less of him. The Breeder's Gazette comment on this show was as follows: "The low set roan, Warrior Dale, which stopped down fourth, had so many of the requisites of a blocky filled all 'round winner that he could have ranked next to top without any injustice." His growth and development has fully met with our expectations and we regard him today as one of the very best young bulls of the breed.

**Victorias Sultan 373336**, is without doubt one of the most valuable two-year-old Short-Horn bulls to be sold this year. **Diamond Eminent**, is an unusually thick, smooth bull, with exceptionally good head and horn. He stands on short legs and in form is much like his sire. He belongs to the Marr Emma family, a tribe that is always popular with Short-Horn breeders. He is of the same breeding and almost full brother to Diamond Emblem that topped our 1913 sale, selling to D. E. Reber, Morrill, Kan., for \$1,090.00.

Mr. Marr's Emmas have been highly appreciated in America since the famous Pott's Emmas made such an impression in the American show ring. They were of thick, low heavy stamp that has helped the Aberdeenshire Short-Horns to forge to the front and to be recognized as money makers wherever found.

He was used in our herds with marked success 'till June, 1912, when he was sold to E. J. Thompson of Hurley, S. Dak. He was the grand champion bull at the South Dakota State Fair in 1912.

The get of **March Knight** was awarded first prize at the American Royal in 1906, as well as numerous other premiums.

**Diamond Choice**, is a bull of splendid quality and comes from a family of cattle that has been in our herd many years, and never fails to produce good ones. His dam is one of the choicest cows of the herd.

**Diamond Goods 333014**, red; calved Jan. 13, 1909. Bred by Bellows Bros.; got by Good Choice 227852, out of Sweetheart by Victorallen 212209, out of Modesty. He was undefeated in the aged bull class in the leading shows of 1912.

**Good Choice 227852**, was selected by us in the summer of 1904 as the best son of the many times grand champion, **Choice Goods**. As a two-year-old, he defeated every bull of his age that he met. He weighed, at maturity, 2,350 pounds, had a perfect disposition, was a natural flesh carrier, and a remarkable prepotent sire. His reputation was established by the many good sons and daughters that have passed through our annual sales, or been retained for breeding purposes in our own herds.

Double Diamond is truly a good young bull of the correct type. He carries a double cross of Diamond Goods and is a chip off the old block.

Mr. Marr's Emmas have been highly appreciated in America since the famous Pott's Emmas made such an impression in the American show ring. They were that thick, low, heavy stamp that has helped the Aberdeen Short Horns to forge to the front and to be recognized as money-makers wherever found.

**Butterfly's Best**—While this calf is only 7 months old he is of that early maturing, thick fleshed sort so much in demand at the present time. On account of his young age he will no doubt be bought at a bargain.

**Victoria Sultan 373336** is included in the sale as lot 1. He is a thick, massive bull with exceptional depth of body and general development. He was selected by us two years ago as the most likely bull to take the place of Good Choice. This bull calf shows that our selection was well made. For breeding see Lot 1.

**Hampton's Best 170818** was the sire of the Bellows Bros show yards winners for four years in succession. He was undoubtedly the best son of Imp. Merry Hampton and was easily one of the best breeding bulls of his day in America. He was out of Secret of Hill Farm 2d by Imp. Lavender Lad 119937.
